

IMCare Privacy Policy

Updated: May 9, 2026

Introduction

At IMCare, we are committed to protecting and respecting the privacy of our patients. This Privacy Policy outlines how we collect, use, disclose, and protect your personal health information (PHI) in compliance with the *Personal Health Information Protection Act, 2004* (PHIPA) and other applicable privacy laws in Ontario, Canada. By using our services, you consent to the practices described in this policy.

1. Collection of Personal Health Information

We collect PHI directly from you or from a person acting on your behalf. This includes your name, health history, and details of your care. To enhance documentation accuracy, we utilize AI-assisted technology to capture and transcribe audio from clinical encounters into medical notes.

2. Use and Disclosure of Personal Health Information

We use and disclose your information to:

- **Coordinate Healthcare:** Provide diagnosis, treatment, and referrals.
- **Clinical Documentation:** Utilize AI tools to generate draft summaries of visits.
- **Human Oversight:** Ensure every AI-generated note is reviewed, edited, and approved by your physician before being finalized in your record.
- **Billing & Operations:** Obtain payment from OHIP or private insurers and conduct quality improvement activities.
- **Legal Compliance:** Comply with regulatory requirements.

We do not use your health information for marketing or to train external AI models without your explicit consent.

3. Security and Data Governance

We implement physical, administrative, and technical safeguards to ensure the confidentiality of your information.

- **Data Residency:** All AI-processed data is stored within secure North-American infrastructure to meet provincial residency standards.
- **Encryption:** Data is encrypted at rest and in transit using industry-standard protocols.
- **Retention:** Audio recordings and temporary transcripts used by AI tools are deleted within 30 days of the visit once the note is finalized in our secure Electronic Medical Record (EMR).

4. Patient Rights and Consent

- **Access & Correction:** You have the right to access and request corrections to your PHI.
- **AI Opt-Out:** You may request that the AI tool be disabled at any time without affecting your quality of care.
- **Withdrawal of Consent:** You may withdraw consent for the use or disclosure of your information at any time, subject to legal restrictions.

5. Contact Information
